## Student Elections For Campus Queen Begin May Day Program

Ten hopefuls to the realm of May Day royalty will be chosen through popular student elections on the campus. And from these ten will be selected the queen and her court of six attendants. Dean Elizabeth Lichty, May Day Chairman Nola Nies, and WAL President Doris Vander Borgh will determine who shall be the lucky lasses to attain the purple and ermine in keeping with the new system wherein merit is based upon attractiveness, character, academic standing, and extra-curricular activities. The traditional parade of junior girls before out-of-town judges to be stricken from the program, in order to satiate students desire for a voice in the selections.

Classes will be dismissed per usual at 10 a. m. Friday and from thereon, entertainment is the order of the day. Girls' track events in the morning should put the boys on edge for their sports card in the afternoon.

Coronation of the queen and tapping of new Alcor members will feature an important event for the late afternoon and as a culmination of all this activity the all-college banquet in Carnegie gymnasium will provide a pleasant close of another eventful May Day.

Ruth Stegenga and Robert Emmick in the capacity of co-chairman in charge of the banquet announced that semi-formal dress will be in order for the evening. Tapping of the new Blue Key members will be the final feature of the day's program.

## Beltman to Edit Milestone for '43

Elected by the sophomore class in a meeting May 1 to head the MILESTONE year book of 1943 was Lawrence Beltman of Kalamazoo.

Beltman has been a member of the ANCHOR news staff for two years and has also served on several campus organizations. He is alumni secretary of the Emersonian fraternity.

He plans to appoint his year book staff soon. "I trust that next year's Milestone staff," he comments, "will continue the fine work done by previous staffs to produce another outstanding year book for Hope college."

Editor Milton Verburg reports that the 1942 edition will be ready for the presses on Friday, May 8. No definite date has been set for the release of the publication.

## Dr. Wierenga Addresses YM on Church in India

Paul Dame was in charge of devotions for the YM meeting of April 28, and Larry Beltman led the song service. Special music was provided by Professor Mearns, assisted by Blase Levai, who read introductory comments on the numbers played.

Dr. Wierenga, president of the Arcott Theological seminary, Vellore, India, spoke on the topic, "Missions in India Today." He particularly stressed the way in which political conditions today have affected the progress of the church in India. An open forum was held.

Anne De Young, senior from Newark, New York, spoke on "Perspectives" at the YW meeting on Tuesday, April 28. She illustrated the change in "perspectives" as life progresses, but urged that attitudes toward God remain steadfast.

Devotions were led by senior Ruth Stegenga. The meeting was ended with the singing of the Y song, "Follow the Gleam."

The joint Y meeting held last evening, May 5, was in charge of senior members of the old cabinet. Blase Levai and Mae Clonan planned the program.

## Y Plans for Next Year at Annual Retreat

Members of the YW and YM cabinets met yesterday afternoon and evening for the annual Y retreat at the J. Kooiker cottage on Lake Michigan. The purpose of the retreat was to discuss plans for next year with special emphasis being placed on orientation week, the mission drive, prayer week, weekly Y meetings, the war and its relation to Y work, and general campus needs.

In the evening a council fire was held. At this time Dr. Lester Kuyper of Western Seminary gave an inspirational talk. Social Chairman Russell Le Vette and Mimi Moncada were in charge of recreation and food. Transportation was provided through the efforts of Alva van Haitsma and Allan Weenink.

## Dr. and Mrs. Wichers To Entertain Seniors At Reception Monday Evening

Dr. and Mrs. Wichers will entertain the seniors at the annual Senior Reception next Monday evening, May 11. The largest class in the history of Hope college will be entertained at the president's home. In addition to the one hundred and eleven invitations which have been sent to seniors, there will be several other guests, including Miss Lichty. The reception, which will be semi-formal, will begin at 8:15 p. m.

"There will be a program," Mrs.

## Scalpel Club Has Paper On "Aseptic Technique"

Scalpel club held its regular monthly meeting on Wednesday, April 22.

Anne De Young's paper, "Aseptic Technique in the Operating Room," was presented as the feature of the meeting. The customary current events discussion was dispensed with in favor of consideration of the new constitution of the club. This constitution was adopted informally.

President Justin Aalpoel announced that one more meeting would be held some time in May.

## Cast Characters for Senior Play Second Act

Final selections for the cast of "Smilin' Through," senior play, were announced by Assistant Director Dolly Kamps last week. The recent castings for the second act include: Gordon Girod, George Vanderhill, Don Van Ark, Gene Hoover, John Hains, John Maasen, Peggy Hadden, Eleanor Dalman and Dorothy Curtis.

"Rehearsals are coming fine; things are progressing well," states Dolly Kamps, concerning current preparation for the annual class play. "Smilin' Through," by Allan Martin, will be staged during Tulip Time on May 19, 21, 22 and 23 in the Women's Literary club. "Smilin' Through" is the production that brought Jane Cowl, noted actress, to fame, during its run on Broadway, in New York City.

## German Club to Elect New Officers May 13

Election of new officers will be the feature event of the next German club meeting to be held in the Commons room on Wednesday, May 13. The slate will be announced and nominations for secretary and treasurer can be made from the floor.

The advanced German class and Dorothy Wendt will present a play, "So much is announced, but the rest of the program is to be a secret," said John Van Lierop, vice-president.

Refreshments will be served after the program.

## French Club, English Majors Install Officers

Installation of the new officers will be the main feature of the next French club meeting to be held at Nies' on Thursday, May 14. Barbara Folensbee will be the new president, while Mimi Moncada as vice-president will plan the programs for next year. Irma Stoppels will record the minutes, and Wendy Rameau will manage the finances.

After the formal installation, the club will adjourn to the annual party. Chairman Howard Hoekje promises "unusual games and wonderful eats" as the main attraction of the fun-fest.

New officers of the English Majors club will be installed at their next meeting Wednesday, May 13. Louis Chisman will head the club next year, assisted by Vice-president Donna Eby and Secretary-Treasurer Edith Klaaren.

Tentative plans for a beach party are in progress. Donna Eby is chairman for the event.

Wichers stated, "but Dr. Wichers and I prefer to keep it a surprise." Refreshments will be served with the help of the junior girls.

## First Alpha Chi Banquet a success

Thirty couples attended the first annual Alpha Chi banquet which was held at Third Reformed church on April 22. President Henry Kik acted as master of ceremonies for the program which was in charge of the club cabinet.

Robert Swart, an Alpha Chi alumnus, led the group singing. Wayne Lemmen gave several readings for the humorous touch of the program. Musical entertainment was provided by John Lucius and by the "Ministering Minstrels."

Blase Levai spoke for the senior class on the subject of "The Qualities of an Alpha Chi Member." Prof. Henry Bast, faculty adviser for the club and chaperon for the banquet, spoke on "Take Thou Thy Share of Hardness." The program was concluded with a hymn and prayer.

Meeting for the month of May will take up the topic of "The Minister and Finances." Election of officers for next year will also be held at this meeting.

## Events of May Day With Slight Changes This Year

"May," says Noah Webster (Webster's Intercollegiate, page 618), may be defined as "The merry-making of May Day." Where Hope college is concerned, that makes a good definition, for May means May Day at Hope.

May Day at Hope is a tradition. This year we expect the afternoon track meet to be the most spectacular sports occurrence at Hope since Snodgrass, class of '01, in a football game, ran inside his own end and disappeared from the face of the earth. The event of special interest will be last year's two-mile run which should end some time during May 15. For that reason, May 15 has been set as May Day.

In keeping with the Biblical emphasis in this school, the finals of the girls' tennis tournament will be run off on May Day. This has been the custom ever since Joseph served in Pharaoh's court and Moses returned out of Egypt.

The coronation of the new queen will conclude the afternoon's activities. It has been decided not to crown the queen with a baseball bat this year. The last time that was tried it altered her cranial contours somewhat, an unforeseen con-

Winning positions (except in case of a tie) will be decided by the number of first, second, and third places awarded by judges, and not by the total number of points.

**Cup Replaces Durfey Blanket**  
WAL board has decided to give a loving cup to the most outstanding senior girl. In the past, the Durfey blanket has been the award, but because of the shortage of wool, a cup will replace the blanket this year.

### Progressive Dinner Held By Blue Key April 25

Members of Blue Key Honor fraternity and their guests enjoyed a progressive dinner on Saturday, April 25. The first course was served at the Cosmopolitan house and the main course at the Fraternal house. The dessert at the Emersonian house was followed by a program which began with a song service directed by Elmer Morgan. "Casey at the Bat" was given in the Jewish accent by Blase Levai. John Hains then favored the group with a song. Bridge and bunco occupied the rest of the meeting. The entertainment was under the direction of George Vanderhill.

Faculty guests attending the dinner included Prof. and Mrs. Milton Hinga and Prof. and Mrs. Albert E. Lampen.

### Pi Kappa Delta Banquet Installation Held Tonight

Annual Pi Kappa Delta banquet will be held this evening at 6 p. m. in the private dining room of the Dutch Mill. The outgoing president, John Westhof, will preside. At this time the installation of the officers for the coming year will take place. Clinton Harrison has been chosen for president. Others to be installed will be Vice-president Corinne Pool and Secretary-Treasurer Daniel Fylstra. The program, which is announced is in charge of John Hains.

Other officers recently elected were: Allan Weenink, reporter; Andrew Veldhuis, director of men's debate; Vivian Tardiff, director of women's debate.

### Girls' Glee Club Gives Concerts in Kazoo, G. R.

Last Monday night, May 4, the Girls' Glee club presented their first full length home concert for faculty and students in the chapel.

The glee club has several other engagements arranged during the next few weeks. On May 12 Mrs. Snow and the club members will journey to Kalamazoo to sing at the Hope College Night there. They will also sing at Hope College Night in Grand Rapids on May 14. Besides the regular concert, they may also give the operetta, "Following Foster's Footsteps," in both these places.

The glee club will sing twice on May 17, the first Sunday of Tulip week. They will sing two numbers at the Psalm sing to be held in the chapel Sunday afternoon and will sing again in the regular services in Third church in the evening.

### Chem Club Plans Trip to Kalamazoo Friday

Chemistry club will hold its regular May meeting today at 4 o'clock. Members scheduled to present papers to the group include James Slagter, Harvey Mulder, and Murray Snow.

The annual industrial tour will take the club to Kalamazoo on Friday, May 8. The industrial-chemical plants to be visited are the Hercules Power Company, Kalamazoo Vegetable Parchment Company and the City Laboratory. This trip is an annual high spot of the club year, presenting the industrial field of endeavor to prospective chemists.

### Rev. Henry Vruwink to Speak to Grads

Dr. Van Ess at Baccalaureate

This year's senior class numbering 109, is the largest in the history of Hope college. Unique not only for this, but for the large number on its honor roll, the class of '42 will graduate June 3. Graduation will be held two weeks early because of the accelerated program of the college.

Reverend Henry Vruwink, class of 1910, and pastor of the Fort Washington Collegiate church of New York City, will be the commencement speaker.

Sunday, May 31, the Baccalaureate sermon will be given by Dr. John Van Ess. Dr. Van Ess, who graduated in 1899, has spent the greater part of his life in missionary service in the boys' school in Basrah, Iraq. Dr. Van Ess is a popular and familiar speaker since his addresses in Holland last month.

The board of trustees will hold its annual meeting here on June 2, Tuesday evening, June 2, the alumni will hold their annual dinner in Carnegie gymnasium. On the Wednesday afternoon of that week, June 3, President and Mrs. Wichers will hold their annual reception at their home for alumni and friends of the college.

### Harrison, Verburg, Koop Nominated

Student body elections will be held Thursday and Friday, May 14 and 15, Student Council officials announced this week. At the same time the publications announced the four candidates for the associate editor positions of 1942-43. Students will vote for next year's council president and two associate editors on the same ballot.

Nominated by the Student Council in its regular meeting last night for the position of council president are: Clinton Harrison, Milton Verburg, and Harvey Koop. Robert Emmick, chairman of the committee in charge of the elections, stated that the voting will take place in the YM and YW rooms in the chapel from eight o'clock to the end of the fourth hour.

**Run-offs on Friday**  
If one candidate does not receive a majority of votes in the first election on Thursday, run-offs of the two highest will be held on Friday morning. Arrangements will also be made for associate editor run-offs.

President William Tappan announced that if the new president is inducted into the service, the vice-president of the council, elected within the council, will preside until another student body election can be held.

Candidates for the associate editor position are: Roger Koeppel, Mary Blair, and Roger Rietberg. One other sophomore will be nominated later.

### Defense Activities on Campus Made Ready

Sale of defense stamps on Hope's campus will begin in the near future, according to Bill Tappan, chairman of the school defense council. The stamp sales (a Blue Key project in cooperation with the school defense council) will be under the direction of Jack Jaas. Other defense activities will start soon, as Hope's council is awaiting definite plans and instructions from the Holland defense council under the direction of Mayor Henry Geerlings.

Hope's firemen, with Roy Davis as fire chief, are planning to conduct fire drills on the campus. The fire fighting group, which has received recent instruction from the city fire department in the art of firefighting with modern equipment and the use of hoses and fire extinguishers, is making checks on the fire precautions of the various frat houses and dormitories on the campus.

Also on the calendar for the near future are precautions against air raids. Harvey Koop, Holland junior who has recently become an air raid warden, has been officially qualified to serve as an instructor, and will assist in the training of others as air raid wardens, both on the campus and in the city.

### Teaching Positions for Hope Seniors

Reports from the college office show that many of the senior education students have already obtained teaching positions for next fall. Those who will be teaching in elementary schools are: June Baker in Newaygo; Norma Becksfors, Dearborn; Nancy Boynton, Scottville; Lileeth Brouwer, Fenton; Eleanor Dalman, Harrington school, Virginia Park; Mary Felter, Montague; Marguerite Hadden, Holland; Ruthea Martin, Lee school, Grand Rapids; Dorothy Shramek, Montague; and Jane Veneklasen, Middleville.

Secondary students who have signed contracts are: Beth Marcus at Fenton; Jeanette Rylaarsdam, Traverse City; Lorraine Timmer, Ravenna; Marian Van Zyl, Kalkaska; and Dorothy Waldo, Scottville.

## Society Spirit Is Out of Place On as Small a Campus as Hope's

An accusation is about to be made which should burn every member of a sorority or fraternity on Hope's campus. However, the criticism is one which should have been fired at the student body ages ago. The accusation is this: Fraternity and sorority spirit is excessive on the campus, resulting in an attitude between societies which is definitely that of a small-minded people.

When a new student registers in the office, he pledges his loyalty and service to Hope, the orange and the blue. In his first week of life as a pledge of a society, he is impressed with the fact that the society of his choice is the only society on the campus which is worthwhile. The laurels of his society are to be held forth, and if that not able, thrust forward, to make itself as a result obnoxious. A frosh doesn't realize that he can become too fraternity or sorority minded.

Not only is this spirit evident in the student body elections when candidates are voted for because of their qualifications as a member of a society, but also it becomes apparent in classrooms and general campus activities. This antagonism between societies is manifested even in personal contacts. It's too bad when one of your former pals fails to say "hello" to you on the street due to fraternity competition.

Yes, I could cite specific examples of such narrow-minded society spirit. Look at the houseboard elections in Voorhees hall; listen to the unnecessary remarks in classrooms by frosh slandering other fraternities; notice that the have held two joint meetings with sororities and still haven't included their sister sorority; notice that in elections no two persons are nominated from the same society, and that when two people of the same sorority are qualified and run for the same position, this society is banned and criticized for prejudices—rather an illogical criticism. No one society on the campus can plead not guilty to this accusation.

Now, more than ever before, there should be a unified spirit on the campus. What success could we have in the present war if there were not complete cooperation within our country? Forget the enhancement of the individual organization; strive towards the enrichment of Hope. Forget that Mary is a member of that society; remember that she is a member of Hope's student body. Erase from your mind the erroneous idea that your society is any better than any one of the others.

### CAPITAL to CAMPUS

ACP's Jay Richter Reports from Washington

WAR . . .

Washington — (ACP) — In case you haven't noticed by this time, all college and university students are eligible for rationing books and their half-pound of sugar per week whether they live "on campus" or at home. It may be a good idea to get a book because there is likely to be further rationing of other products. However, it would be a good gesture to pass up purchases of sugar if you don't need it. "Reach for a bond, instead of a sweet!" Perhaps we've a campaign there.

Alien students in American colleges "absolutely do not" have to register for selective service. All they must do is prove to local draft boards that their non-resident status is bona fide.

Selective service officials have been compelled to reiterate the exemption of "non-resident aliens" because of rumors floating about that alien students are subject to military service.

The majority of these students are citizens of sister American republics, here on scholarships grant-

ed by their home governments or Uncle Sam.

There is, however, nothing to prohibit their volunteering for military service. That, too, is done through the local draft board which turns over their qualifications and personal histories to the War Department for final OK.

Officials here are skittish when asked about the probable requirements for commissions in either the Women's Army Auxiliary Corps or its counterpart in the Navy (bills establishing both organizations have passed the House.) It's a good bet, though, that a college degree will help, just as it does in the case of men.

Fort Des Moines, Iowa, is being considered by the War Department as a West Point for women. Some 5,000 of them would be trained there in various war occupations.

The Navy auxiliary unit would be open to women over 20. Grade for grade, women would receive the same pay as seamen. Duties would include decoding, airplane spotting and confidential secretarial work.

## Orchids To Clean Up Committees, The Sturdy Faithfuls

People love to work on committees. They flock to work on committees the way ants flock to a sugar cube. (I'll bet you're waiting now for a joke about people flocking to a sugar cube in this day and age, but there isn't any coming, so you can relax.) Committees are a human failing, like apple pie, nice cars, and trying to put one over on teacher.

There is only one kind of committee that doesn't inspire that urge for action in the human breast. The unfortunate chairman who approaches someone and says hopefully, "Will you work on the clean-up committee?" receives only a cold stare. There's no glamour to cleaning up . . . and you don't get your name in the paper either. Don't mistake me . . . This isn't bitterness, it's philosophy.

When finally some conscientious soul, driven by a sense of duty and the chairman's obvious desperation, agrees, it will spoil the whole party, program or tea for her. She wanders around viewing with anxious eye the programs that soon litter the floor, and guarding jealously the number of plates that the food committee so carelessly piles cookies on. She has no sympathy for the shy souls who spill their tea, and only annoyance for the hearty ones who do tricks on chair seats with sugar cubes. (Sorry, just can't think of a new one.) The clean-up committee sees all festivity with a jaundiced eye . . . and who can blame them?

Clean-up committees are either the salt of the earth or else the

bane of existence, depending upon whether you are watching one or working on one. They have their quaint ways, it's true, but how we love them!

I move we give all the sturdy old faithfuls on the clean-up committees a rousing vote of thanks!

## The Tattler

### Reflections On May — By a Newcomer

Well, studes and stooges, the merry month of May hath inflicted her comely presence upon us, her coming amply foretold by wash dresses, beach parties, tennis dates, and all such stuff. The full, exquisitely romantic April moon beams in thro' the open window onto the dark locks of Betty Co-ed. Her breathing becomes irregular, her heart pounds, her temples throb — when in what glorious moment will she be able to finish her term paper and go to bed?

With the glee club home, the bachelors happy, and one bachelor having converted himself rather suddenly into a marked man, the campus has returned to normal. How a man can carry a bag, welcome home a girl, and give her a ring all in ten minutes is beyond the feeble comprehension of the Tattler — but — he do'd it!!

Ah! The lure of the scientific still penetrates the hearts and souls of Hopeites!! For further information, ask Chem Major Morris or Senior Ruth. They say that Ken and Jan were in the middle of a kiss when an incendiary bomb fell nearby — Jan shivered.

It's all right to cherish happy memories of the little white schoolhouse, Bill, but when you go

around with "grass widders" — um, um!! Rumor has it that a certain Emmie pre-sem student with a pug nose, curly hair, and a way for woo, whose first name is what you are when you are bored, has changed residence to the corner of 10th and College.

The Voorhees parking lot was invaded the other night by a rough-neck who banged into Brondyke's car. It hit him so hard that it must have broken him in two for I saw one part go to the right and one to the left. Or could it be Ruiter getting that "serve" into shape? When Don De Fouw's U of M stuff asked me about him the other day, I was stumped. For, who knows what to expect to see in that Pontiac next! It seems that he's gone for the "Pontiac Plan" of using one car when two would do just as well.

Hope college is an accredited liberal arts school, but nobody knows how liberal as well as Mr. Martin who dragged Auntie Esther and the girls all over the East and then had to go to court for them in New York.

And now, maids and mugs, the lure of science is too much for my weakening conscience. I needs must descend into the mysterious bowels of Van Raalte and mix things to produce stinks and stuff.

Goo (that's no lie). 'Bye!!  
P. S. Good luck to homeward bound Chicagoans, Klaaren and Aldrich!

# NAVY ANNOUNCEMENT TO COLLEGE FRESHMEN AND SOPHOMORES 17<sup>THRU</sup> 19

**You want to serve your country!  
Why not serve where your college  
training will do the most good?**

Under the Navy's newest plan, you can enlist right now. You don't have to quit college. You can stay in college, continue your studies and qualify to become a Naval Officer — on the sea or in the air.

### Who may qualify

If you are between the ages of 17 and 19 inclusive and can meet Navy physical standards, you can enlist now as an Apprentice Seaman in the Naval Reserve. You will be in the Navy. But you may remain in college, taking regular college courses under your own professors. Your studies will emphasize mathematics, physics and physical training.

After you have successfully completed 1½ calendar years of work, you will be given a classification test. This examination is competitive. It is designed to select the best men for training as Naval Officers.

### How to become an Officer

If you qualify by this test and can meet the necessary physical standards, you will have your choice of two courses—each leading to an officer's commission:

1. You may volunteer for training as an Aviation Officer. In this case you will be permitted to finish at least the second calendar year of college work, before you are ordered to active duty for training to become an officer-pilot.

However, at any time during this two-year period, you may have the option to take immediately the prescribed examination for Aviation Officer . . . and, if successful, be assigned for Aviation training. Students who fail in their college courses or who withdraw from college will also have the privilege of taking the Aviation examination. Applicants who fail to qualify in this test will be ordered to active duty as Apprentice Seamen.

2. Those who qualify in the classification test and do not volunteer for Aviation will be

selected for training to be Deck or Engineering Officers. In that case, you will continue your college program until you receive your bachelor's degree, provided you maintain the established university standards.

Those whose grades are not high enough to qualify them for Deck or Engineering Officer training will be permitted to finish their second calendar year of college. After this, they will be ordered to duty as Apprentice Seamen, but because of their college training they will have a better chance for rapid advancement. At any time, if a student should fail in his college courses, he may be ordered to active duty as an Apprentice Seaman.

Your pay starts with active duty. It's a real challenge! It's a real opportunity! Make every minute count by doing something about this new Navy plan today.

## Sibyllines and Thesaurians Hold Beach Parties Friday, May 1

This year's Sibylline spring party was an informal one held at the Kooiker cottage at Kardou beach. Members and their guests arrived at the "Sandy Shindig" at about 4 p. m. Features of the afternoon's entertainment were baseball games, swimming and a treasure hunt. The hunt was officially won by Johnny Kleis and Millie Vander Linden, but all shared in the treasure of soda pop and doughnuts.

At about eight o'clock a delicious and abundant picnic buffet supper was served. Following the meal, an original three-act play, entitled, "Bertram, the Bashful Beachcomber," written by Ruth Van Bronkhorst, was presented. Starring in the role of Bertram was dashing Harriet Maatman; the old sea captain was portrayed by Jane Waldbillig; and Bertram's man, Saturday, by Jane MacDonald. Janet Arnold took the part of the princess; and Florence Dykema, the Wave, while Edith Klaaren narrated. The combined scenery and chorus was made up of Janet Clark, Wendy Rameau, Billie Wieland, Dorothy De Valois, Pearl Scholten, and Mary Blair. The party ended with a marshmallow roast and song-fest on the beach.

General chairman of the affair was Ruth Van Bronkhorst, who was assisted by Billie Wieland, Persis Parker, Pearl Scholten, Edith Klaaren, Barbara Reed, and Mary Blair. Chaperones were Prof. and Mrs. Vernon Ten Cate, and Prof. and Mrs. Robert Cavanaugh.

### Thetas at Pine Lodge

Members of the Thesaurian society entertained their guests at a beach party held at Pine Lodge on Lake Macatawa Friday, May 1st. The afternoon was spent in exploring the grounds and lake shore or in playing lively games of tennis and softball.

After a picnic supper, the groups were divided into parties of four for a scavenger hunt. Couples scattered far and wide in search of varied articles ranging from toadstools to light bulbs.

Later everyone gathered in the large main room of the lodge for the remainder of the evening. Laura Petersen entertained with several vocal solos. She sang "Maytime," "The One Rose," and several comic numbers. Arlene De Vries accompanied her at the piano.

Noisy and exciting games of "Cootie" and "Wink" were next in the order of events. The evening was ended with the roasting of marshmallows in the open fireplace, popping corn, and the singing of favorite old songs.

Mr. and Mrs. Vander Borgh were the chaperones for the evening.

## Sorosis Holds Soph Meet at Wichers'

Sorosis gathered in the home of Dorothy Wichers Friday night for a sophomore program which had as its theme the familiar quotation, "In the spring a young man's fancy lightly turns to thoughts of—" (well, you know the rest). Chairman Marilyn Van Dyke distributed programs in the form of red hearts dealing with "Baseball," the object of young men's springtime attentions.

Dorothy Wichers conducted devotions and Lois Mary Hinkamp read a serious paper urging Sorosites to "pitch in" and do something useful and worthwhile during the summer vacation. Norma Lemmer entertained with her subtle humor paper entitled "Other Forms of Pitching." Special music was furnished by Maxine Den Herder, who sang "I Love You Truly," accompanied by Marge Friesema. June Baker was critic for the program. Following the singing of the society songs, refreshments were served under the chairmanship of Ellen Jane Kooiker.

A feature of the business meeting was an impressive candlelight ceremony at which Shirley Rutgers was formally initiated by President Doris Vander Borgh.

The Sorosis spring party will be held in the form of a treasure hunt and buffet supper at the Holland Country club May 9. Ruth Williams is chairman for the affair. Chaperones for the party will be Coach and Mrs. Milton L. Hinga and Mr. and Mrs. Vernon Ten Cate.

## Dorians Will Hold Spring Party at Lit Club, May 9

Members of the Dorian society will hold their annual spring party Saturday, May 9, at 7:30 p. m., in the Women's Literary club. The affair — "Behind the Scenes" — will be semi-formal.

Miss Metta J. Ross, Miss Laura R. Boyd, and Prof. and Mrs. Clarence De Graaf will be guests of honor.

## Knicks Investigate the British System of Broadcasting

The Knickerbocker fraternity met Friday evening, May 1, for their regular literary meeting. President Spaulding was in charge of devotions which was followed by a song service under the directorship of Randall Dekker.

"The British System of Broadcasting" was the title of John Slagter's serious paper; after the reading of the paper, the fraternity members employed the subject as the main topic in an open forum. Humor was contributed by Carl Schaftenaar. "In the Spring" was the caption of the article.

After the completion of the literary program, the members adjourned for the regular business meeting.

## Emies Will Sponsor "Country Party"

At a short business meeting of Emersonian held on April 30, plans for the annual spring party were announced by Party Chairman Clarence Vandervelde. Vandervelde stated that instead of the annual spring formal, the fraternity will sponsor a "Country Party" to be held in the Holland Country club Friday, May 8.

A buffet luncheon will be served followed by a short program under the direction of Al Vander Waa. After discussion of other routine business, the meeting was adjourned by President Blase Levai.

## Come Back to Me

I do not ask so much of you, my dear.  
I am content with giving. In these slow  
Black hours of bitterness that endless flow  
In dark bewilderment through this sad year  
I give you love and laughter without fear.  
There is a quietness I'd have you know,  
A peace that comes of being loved, a low  
Clear flame of knowing I am always near.  
I'd have my love protect you from despair,  
And give you hope and courage. Oh, I'd be  
All things to you who have gone off to war:  
"The flash of white wings over stormy sea . . ."  
I give you all myself, the love I bear . . .  
I only ask that you come back to me.

## Delphi and Emersonian Hold First Joint Meeting

### Development of Music Traced By Bruce Mikula

After the selling of a few slaves, the regular literary meeting of O.K.E. was opened by devotions led by Roger Koeppe. Murray Snow gave a report on the All-College singing, following which a rehearsal was held.

For the serious part of the program, Bruce Mikula gave a paper on "Modern Music Through the Ages." He traced the evolution of classical music from earliest times to the present, and illustrated his paper with recordings of such composers as Bach, Haydn, Beethoven, and Wagner; and finished with Grofe's "On the Trail" from the "Grand Canyon Suite."

For the humor of the evening, Len Pape cut loose with the findings of "The Raving Reporter." This number was well received by the members.

Bill Tappan gave his Philosophy of Life, which proved to be extremely good. The literary program was closed by a master critic's report by Howard Hoekje. The regular business meeting followed.

## Dorian Sophomores Give Vict'ry Garden

"Victory! Victory!" was the sophomores' cry as they took over the Dorian meeting Friday night, May 1. The program was opened by an appropriate devotional passage read by Virginia Ewin. "Two Peas in a Pod" was a humorous skit with Nancy Safford as narrator and Carol Bos and Eve Mulder as the two actresses.

Grace Malefyt accompanied "Sweet Potato" Marion Sandee and "Sugar Beet" Melba Dings as they "stewed in" "Don't Sit Under the Apple Tree" and "In the Garden of Tomorrow." "Cool as a Cucumber" was the serious paper written by Marion VandeBunte on the subject of victory gardens. "Red as a Beet" turned out to be a very revealing prophecy of the future of the Dorian clan.

Preceding the program the usual business meeting was held. Further plans for the party next Friday, May 8, were discussed. Corinne Pool was elected as the society representative of the student council.

A joint meeting of the Delphi and Emersonian societies . . . led the social calendar for Friday, April 25. The event was held in the Emersonian House with Gene Hoover as master-of-ceremonies.

The theme for the joint meeting in spite of government weather restrictions was "The Weather Chart" with its predictions for sunshine and rain. Delphian Beth Marcus opened the meeting with the reading of scripture, and Emersonian Chaplain Lou Chisman followed with prayer. A rousing song session which featured the singing of the Delphi and Emersonian songs was conducted by Emersonian Jim Burger.

Words of welcome from Presidents Jeanette Rylaarsdam and Blase Levai featured "gay repartee and good humor." The humorous portion of the program was supplied by Clayton Congleton, a local magician, who performed several tricks to the amusement of those present.

Emersonian John Hains provided special music with the vocal rendition of "This Love of Mine," and "Clouds." Delphian Nola Nies presented the serious number of the evening in reading a paper entitled "Sally Anne's Experience." Prof. and Mrs. Vernon Ten Cate were the honored guests of the occasion.

The group adjourned and a social hour was enjoyed at which refreshments were served. The Delphi-Emersonian joint meeting was the first time the two societies had ever met together.

## Cosmo Formal Is Held at Country Club

Thirty-six Cosmopolitans and their guests attended the formal spring party of Phi Kappa Alpha, which was held at the Holland Country club last Saturday evening. Dinner music was provided by Gerard Hanchett and his orchestra.

Cornelius Pettinga was master of ceremonies for the program which was made up of local talent from within the fraternity. John Lucius sang a solo, "Beautiful Dreamer," by Stephen Foster. James Baar, president of the fraternity, gave a short after-dinner speech.

Charles Stoppels provided humor with a musical-humorous number called "Creation." The act portrayed a Negro version of the story of creation. Ray Biel also put on a short act, assisted by one of his fraternity brothers.

Prof. and Mrs. J. Harvey Kleinhessel and Prof. and Mrs. Robert Cavanaugh were chaperons for the party.

## WOMEN'S SPORTS

By Edith Ellen Klarren

If Sib licked Thesaurian last night (?) they'll be declared champs, an' I was cogitatin', maybe we could give the winners some of those adorable little Pepsi-Cola medals, like those the Cosmos won in inter-frat diamond ball competition last year. Last night also marked the Sorosis-Delphi tiff. Next week Tuesday night Delphia takes on Dorian, Sorosis meets up with Thesaurian.

Ah! Riding! Stop at the sign of the yellow horse and sign up. For those riding enthusiasts who "simply can't stand to poke along with those beginners," Dyke's arranged to have two guides divvy up the crowd, one taking the beginners, the other the advanced equestriennes, so there'll be nothing to cramp your style.

Today's the big day in WAA board meet at five o'clock. It will be decided which, Syd MacGregor or Florence Dykema, will be prexy and which will be left holding the bag — the money bag, I mean.

We're perk'ing right along on the archery range, and everyone's luck is beginner's luck. Keep on comin' out Saturday a. m.'s at nine. Poor Vern with the measles! He did SO like to coach archery.

This is the last and final warning that if you gals expect to do your duty for your class on May Day, the thing to do is gang up

at the track now and get in condition, or your limbs will be pretty rusty when May 15 rolls around. Nan Boynton is charge d'affaires for May Day girls' events.

The section this week is dedicated to those of you frills who are what is termed hothouse plants, in the language of the Americas. What with a delightful assortment of sports activities such as we have, there must be something that's down your alley.

The Sibs 'n' Sorosis gave the glad hand to the Milestone picture man last Tuesday night. He gave 'em the O.O., and took the picture and left. Under the pitching of Power-house Brouwer, the Sibs came through and administered the Sorosites a licking, 8 to 4. Batteries: B. Daugherty and M. Timmer of Sigma. Sigma gave, but to no avail, and Sorosis had to throw up the sponge to Sib. The bat-crossing session between Dorian and Thesaurian came to a sad end when Thesaurian forfeited the contest. The spirited Dorians, undaunted by the runaround, stayed put and ran off a game by themselves. All of which makes the status quo as follows:

	W	L	Pct.
Sibylline	3	0	1.000
Sorosis	1	1	.500
Delphi	1	1	.500
Dorian	1	2	.333
Thesaurian	0	2	.000

## Jean Ruiter Winner in Women's Tennis Match

Last week's vigorous tennis tournament came to a breathless climax with the game between Jean Ruiter and Helen Van Aalst. The final set scores were 4-6, 7-5, 7-5.

The tennis schedule for the five top winners is a full one. It includes trips to Kalamazoo for a match with Western State, on May 7, to Olivet for the MIAA meet on May 8 and 9, and to Grand Rapids Junior college at the end of the month.

Glee clubbers who have been away will be eligible for the trips.

Mixed doubles will be played off next week and promise some exciting matches.
